REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In combination with all the limitations recited in the independent claim, all the prior arts do not show a differential signal terminal assembly for insertion into a connector housing having an interior surface coated with a conductive material which is connected to a ground circuit, said terminal assembly including: an L-shaped insulative body with a base portion and an upstanding wall portion with a pair of slots and a pair of conductive differential signal terminals, each of said terminals including a body portion, a tail portion and a contact portion. The contact portion of the terminal is disposed in the slots and is biased outwardly so that they extend partially out of said slots.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hae M. Hyeon whose telephone number is 571-272-2093. The examiner can normally be reached on Mon.-Fri. (8:30-5:30).
